219 Comstock • Addison, MI 49220

The mission of Addison Community Schools is to provide a well-balanced curriculum and learning environment, supplemented by enriching experiences in order for all learners to be successful.

ATHLETIC HALL OF FAME NOMINATION CRITERIA

The Addison Community Schools Athletic Hall of Fame Committee is accepting nominations. If interested, please complete and submit the nomination form to the Athletic Office, 219 Comstock Addison, Michigan 49220 or email to: vansicklecm@addisonschools.org.

The Addison Community Schools Athletic Hall of Fame is open to all former Addison male and female athletes and coaches. A qualified candidate must have graduated at least ten years ago and must have lettered in at least one or more sports. A coach is also eligible for consideration five years after their coaching duties at Addison has ended. In order for the committee to seriously consider a nomination, a detailed and documented list of accomplishments needs to be provided with the completed nomination form. If possible, send clippings, copies of programs, certificates, or any other documentation of awards and accomplishments.

While athletic accomplishments at Addison High School are the primary consideration for induction to the Hall of Fame, college athletic accomplishments, character, and community service endeavors are also considered. Please be as detailed as possible to give your candidate the best chance for consideration, as the committee has limited information on the thousands of athletes that have passed through Addison since 1900's.

We hope that you are as excited as we are about honoring the great athletes and coaches that we have had at Addison. These nominations need to be received by May 29, 2015. The committee will vote on the nominations in early June, with the Class of 2015 Induction Ceremony planned for September 11, 2015 prior to our first home varsity football game of the season.

Sincerely,

The Addison Athletic Hall of Fame Committee
