

ADDISON COMMUNITY SCHOOLS

219 Comstock • Addison, MI 49220

The mission of Addison Community Schools is to provide a well-balanced curriculum and learning environment, supplemented by enriching experiences in order for all learners to be successful.

Date: February 3, 2021

Dear Parent/Guardian,

We have been notified of a Positive COVID-19 student and intern staff member within **Addison Community Schools**. We have worked with the Lenawee County Health Department (LCHD) to ensure that close contacts are identified and appropriate actions are taken.

- **It was mutually agreed because of the student being in the Middle School and the Staff member moving throughout the high school. The entire secondary 6-12 should move to remote learning.**
- Students and Staff may return to school and normal activities on **Date: Tuesday, February 16, 2021**

QUARANTINE

Quarantine is an important step in preventing the spread of COVID-19. People placed in quarantine must stay home, separate themselves from others if possible, and monitor for any symptoms of COVID-19. When feasible, they should use a designated area of the home, including restroom facilities, that no one else should enter or use. For more information see: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>

Contact tracers will be following up with you on behalf of your child by phone during his/her quarantine. When you receive a call from 866-806-3447, MI COVID HELP or the Lenawee County Health Department, please answer their call. For more information about contact tracing, see: https://www.michigan.gov/coronavirus/0,9753,7-406-99891_99913---.00.html

If your child develops any symptoms consistent with COVID-19, please call your child's healthcare provider as well as the school. Symptoms of COVID-19 may include: fever/chills, cough, shortness of breath or difficulty breathing, fatigue, muscle/body aches, headache, new loss of taste/smell, sore throat, congestion/runny nose, nausea/vomiting, or diarrhea.
